

Beyond the Binary:

A gender identity spectrum support group

Thursdays 3:30PM – 5:00PM

A safer, supportive space, for undergraduate and graduate students to explore their gender identity; particularly students who identify as questioning, transgender, gender fluid, non-binary, and/or gender nonconforming.

Potential topics of discussion include: challenges of coming out to self and others, identity development, limitations of labels, negotiating gendered-environments, identity-affirming relationships, coping with minority stress and gender binary norms, accessing supportive health and social services, aspects of transitioning process and adjustment to social identity, family dynamics and impacts on wellness, needs and impact of being closeted, being TGNB at MSU. All meetings will be held weekly over Zoom.

Group Facilitator(s): Ginny Blakely (she/her), LMSW & Mike Evitts (he/him), MS, Doctoral Intern
