Do you identify as a transracial adoptee? Were you adopted by parents whose ethnic or racial identity was different from yours?

This Transracial Adoptee Listening Space provides a space for adoptees to talk about experiences and challenges they may have faced. The listening space is a forum for discussion among students with shared experiences.

Attendees must be current MSU students.

**Questions?** Email the facilitators, Yvonne Connelly (conne111@msu.edu) or Mike Evitts (evittsmi@msu.edu).
