Group begins  
January 25

This support group for graduate students addresses life and relational issues related to romantic and sexual attraction, sexual orientation and gender identity, particularly for LGBTQ+ (including questioning) students.

Topics are based on student interests and could include exploring identity and identity development, trust and connections, dealing with heterosexism, cissexism, internalized homophobia or transphobia, dating and dating technology, attraction and romance; family dynamics, faith and identity, balancing academics with life, and intersectional identities.

**Group Facilitator:**  
Ginny Blakely, LMSW
