A WHOLE NEW WORLD

A Workshop Series for International Students

Transitioning to life in the US and life after MSU can be challenging and also offers new opportunities for growth and development. This workshop provides an opportunity to share your cross-cultural experiences and connect to other students. You will explore identity and culture, develop personal goals and values, and build skills for adapting through transitions.

The workshop is designed to enhance your success while studying in the US.

Dates & Times
This workshop will be held every Friday 10-11:30am, for 5 weeks starting March 15th 2019 at the International Center
